Dear Sir/Madam

2013 NAMAQUALAND FLOWERS & BOLAND TRAIN TOUR

Departing from Johannesburg
Train & Bus – 7 Days
11 Tours in season

N.B. Please note that this is a **revised itinerary*** of the **2013 Namaqualand Flowers train tours** with substantial less space available than when originally advertised. It is still 7 days per tour and the tour price & itinerary remain unchanged. It is only the departure days and times that have changed.

***The revised itinerary** is due to the recent rationalization of trains run by Shosholoza Meyl. There are substantial less space and less number of trains available as from the 14th January 2013.

JB Train Tours invite you to join us on our annual train tours to the **beautiful Namaqualand & Boland**. It is at the end of the rainy season and the flowers will be in its splendid beauty. There is nothing else like this natural phenomenon.

The previous five flower seasons, but one, were of the very best in recent years. The flowers were in abundance, the variety and colours almost unlimited, the 'veld' lush and the weather good. The 2013 flower season promises to be as good as well.

We are going to take you to places where tour groups normally don't go. Just think about places like the Worcester Karoo Park, Tulbagh ('Paddagang'), Quiver Tree Forest, Matjiesfontein Padstal, Paternoster and Bird Island.

Do some wine tasting and take pictures of a magnificent waterfall. Walk in the 'veld' with flowers from horizon to horizon. Bend your knees and discover small and tiny flowers. Enjoy the grace of God.

This year we'll travel again on the **Trans Karoo Tourist Class** train*, sleep in top notch

hotels and travel by luxury charter bus before joining the train again.

Are you tired of driving, looking for accommodation and worrying about the logistics? We'll take you there. When travelling by train, you don't have to worry about increasing petrol prices, tollgate fees, heavy traffic, driving back or sitting with stiff legs in your car. It is so much easier, very safe and **VERY** price competitive.

In 2003 we've hosted **two** train tours to the daisies. In 2013 we'll be hosting **15** train tours to the 'daisies', departing from both Jo'burg and Durban respectively. Every year the numbers are growing and all the tours are fully booked. We'll again keep the groups small hence it is limited to 48 passengers per tour. Book **NOW!**

This year we'll be hosting again a train tour from Jo'burg on the upmarket **Premier Classe** train to the flowers. The inaugural tour was hosted in 2010 and it was a huge success. The **Motorbike-on-Train** tour to the Flowers will be hosted as well again in 2013. You may travel to Jo'burg to join any of these tours. Enquire with us for details about these tours.

For the past four years the best flowers were seen during late July & early August. Many people think that the 'Namaqualand Flower' is a Spring flower! However, the earlier the better!

*Transnet has ceased **ALL** charter holiday trains as from 1 January 2007.

Baie mense sê al baie jare dat hulle graag na die blomme in Namakwaland wil gaan kyk. **DOEN** dit **nou!** Dit bly 'n heerlike voorreg om deur hierdie geweste van die land te ry. Die mense is spesiaal (die sout van die aarde), die natuur is pragtig, terwyl die kontreikos besonders is. Gaan kyk reeds vroeg in Augustus na die blomme.

Vanjaar wyk ons so 'n bietjie van die beproefde resep af en besoek 'n klompie minder bekende, en dalk mooier, bestemmings. Moet dit nie mis nie. Bring vriende en familie saam. Vertel die kuierklub om saam te reis. Bespreek **NOU!**

PROGRAMME -

2013 Namaqualand Flowers & Boland Train Tour from JHB

Day 1 On arrival at the station your tour guide will meet you on the platform. Board the train, unpack, make yourself comfortable and start enjoying the trip. The tour guide will visit you in your compartment and you can start preparing for your welcome dinner. The train travels overnight.

Day 2 We travel across the Great Karoo (never underestimate or ignore the beauty of this vast space) and late morning we reach Worcester. We disembark, board the **bus** and visit the Worcester Karoo Park, then onto Piekenierskloof, Citrusdal & Clanwilliam and into the Cederberg Mountains until we reach Klawer. Dinner will be served. Overnight in the hotel.

Day 3 After breakfast we depart for Van Rhynsdorp where the Kokerboom Nursery is visited briefly. From here we cross the spectacular Van Rhyndorp Pass (ascending 800 metres within 6 kilometres), to reach Nieuwoudtville (the "Ball Plant capital of the world"). This area is known as one of the world's most exciting flower areas. A lunch is served (local food) at a very reasonable price. The spectacular Nieuwoudtville waterfall and Quiver Tree Forest are visited. Late afternoon we taste some good (and affordable) wines, before enjoying dinner. We sleep again in the **same hotel** as Day 2.

Day 4 After an early breakfast we depart by bus for Club Mykonos in Langebaan. We'll travel via Lamberts Bay (Bird island), Graaffwater, Leipoldville, Elands Bay, Dwarskersbos, Veldrift & Laaiplek to Langebaan. Tonight we enjoy a small dinner at "Boesmanland Plaaskombuis" and overnight at Club Mykonos.

Day 5 After breakfast we depart by bus for Tietesbaai, Cape Columbine & Saldanha where the panoramic view from "Hoedjieskop" will be enjoyed. This harbour town is well known for its Military Academy, Steel Plant and terminal for the iron ore railway line from Sishen in the Northern Cape. Enjoy tea at the famous(?) Paternoster Hotel. Some of the best flowers are seen in this area. We'll find it. Tonight we dine again at the "**Boesmanland Plaaskombuis**", close to Club Mykonos. We overnight in the **same hotel** as Day 4.

Day 6 After breakfast we'll depart for Darling ("Evita se Perron") & Tulbach ("Paddagang") and the historic Church street before we join the train again in Worcester. The train departs just after noon after which we'll travel over the spectacular Hex River Pass on our way to the Karoo. A hearty dinner will be served tonight before our last night's sleep on the train.

Day 7 A last breakfast will be enjoyed on the train before arriving in Gauteng in the afternoon.

Note: Please note that the sequence and contents of the days **can and will** change due to various reasons. Please do NOT arrange personal appointments en route.
