Dear Sir/Madam

2013 NAMIBIA TRAIN TOUR

Departs Windhoek & ends in Windhoek

(Link up from Cape Town, Johannesburg & other cities)

10 Days & 9 Nights

JB Train Tours invites you to join us on one of our annual train tours to our **beautiful** neighbouring country Namibia. It is a country of contrast, endless horizons and soft natural colours. It is a big country with long distances to be covered. We do that mainly by night on the train, but allow you sufficient time to enjoy the scenery en route as well.

There is so much to be seen, experienced and enjoyed on this tour. A summary of places to be visited will not give justice to the contents of the tour. A surprise or two awaits you at certain spots. However, places to be visited include the Fish River Canyon (the 2nd largest canyon in the world), Spitzkoppe, the Etosha Pans and Game Reserve, ghost town Kolmanskoppe and Luderitz, holiday town Swakopmund and Dune 7, Vingerklip near Khorixas, Hentie's Bay, the Quiver Tree Forest, the 'moon landscape' area, flamingo lake, Windhoek, Omaruru and many more. **Optional visits** to Sossusvlei, Dolphin & Seal cruise (**highly** recommended), Skeleton Coast, desert experience and quad rides in the Namib Desert are available.

The tour starts in Windhoek and passengers can fly in from Johannesburg, Cape Town or abroad to Windhoek. We'll collect you at Windhoek's airport and transfer you to the station (included in the price). Some people **drive** to Windhoek to join the tour or you can travel with Intercape bus www.intercape.co.za from just about anywhere in South Africa. The Intercape bus terminal is **right at** the Windhoek Railway station.

We used to travel by train from Jo'burg to Namibia and passengers would fly back, but since the change in 2012 to start and end in Windhoek the **tour price dropped**, we could include more into the itinerary, the number of passengers per tour became more manageable and we travel in an upmarket train.

We travel on the **Namibian Desert Express** train – a luxurious train. This tour can accommodate only 48 passengers at a time. Be part of it. It is a locally based train and belongs to the Namibian government.

The pace we follow is manageable by all. We don't hurry. We had a 94-year old gentleman on one of our recent Namibian tours and he travelled very well. During 2012 we had an elderly couple in their late 80's. They said they are going to return for more!

Are you tired of driving, looking for accommodation and worrying about the logistics? Travelling in a foreign country can be challenging. We'll make it easier for you. When travelling by train, you **don't** have to worry about **increasing petrol prices**, tollgate fees, heavy traffic, driving or getting lost and we show you the places you did not know exist! It is so much easier and **VERY** price competitive.

Any person who is interested in going to Namibia may join us! I.e. Family, friends & groups from anywhere! It is ideal for companies for incentives as well. There are only **two x 10 day** train tours in Namibia in 2013 PLUS we host a number of **7-day** tours. No other rail tourism company hosts similar and affordable train tours to Namibia.

Note: We only hosted **1 x 10-day** tour to Namibia in **2012** and it was fully booked. We've added a second tour for 2013 and due to demand we've now added a third 10-day tour. **Six out of the seven 7-day** tours were fully booked in 2012 as well! Come along and discover why.

Please **make sure** that your passport still has got **two empty pages** for customs' stamps and it is still valid for another six months when entering the country. No visa is needed for SA Citizens.

Remember when travelling by train you unpack only once.

This tour is hosted in conjunction with Desert Express – the on board services provider.

When excursions are undertaken, we travel with a Namibian bus company's luxury buses.

Note: We have hosted Namibian train tours for the past decade departing from South Africa. Due to logistical challenges we have decided to depart in future from Windhoek, allowing passengers from across South Africa and abroad to join the tour in the Namibian capital AND to include a visit to the ghost town of Kolmanskoppe and harbour town Luderitz.

Use your Voyager miles or other discounted miles to fly to Windhoek.

A visit to the Vingerklip near Khorixas is a new visiting point on our itinerary plus two nights accommodation **off the train** will add further value to your tour.

Important Notice: We are **Foreign Tour Operator** registered under the Namibian Tourism Board Act, 2000 (Act No. 21 of 2000) Section 24 with Registration Number: **FOR00125**.

The original legal Certificate of Registration for Regulated Business (in Namibia) is **on display** at our offices (as requested by law).

Cocktails and ...

something to nibble on.

Go once and you'll come back for more.

We are looking forward to take you there. No one is too old or too young or too fragile! Just bring your smiles along and leave the 'whining and pains' at home! The weather is normally good. Somewhat cold during the night and comfortable warm during the day.

Note # 1: The flight **from** Windhoek (before & after the train tour) from/to your home destination is **NOT** included in the tour price. **We will gladly do your booking on your behalf.** The current return flight price is +-R3000 per person. **ANY** changes to your flight ticket, for whatever reason, would be for your own expense. (This is highly recommendable). There is a free bus service from the airport to the parking area (after the return flight).

The same applies to parking at the Cape Town airport.

Transport from Windhoek airport to Windhoek station and vice versa:

We provide this transport free of charge to passengers, but **only on** Days # 1 and # 10 of the tour AND if we know your flight arrival and departure details.

You are welcome to travel a day earlier or later than the official arrival and departure dates of the train. There is a suitable hotel close to the Windhoek Station: Protea Thuringerhof Hotel in Bahnhof Street. E-mail: gm-thuringerhof@proteahotels.com.na Tel: 00264 61 226 031

Other transport to Windhoek:

You can travel by overnight **bus** from Cape Town, Port Elizabeth, Bloemfontein, Kimberley and Pretoria and Johannesburg. The **Intercape Buses** runs **daily** to Windhoek and it arrives on the morning of the train's departure in Windhoek. It departs as well again late afternoon on the last day of the train tour. The bus tickets are substantially lower compared to flight costs.

The bus's drop-off point in Windhoek is in Bahnhof street in Windhoek, **very close** to the railway station.

Visit Intercape Buses website at <http://www.intercape.co.za> to get quotes or to do a booking.

OR

You can drive by **car** to Windhoek and link up with the train tour.

Safe car parking in Windhoek: It is available, free of charge and very close (200 m) to Windhoek's station. It is covered parking inside a security fenced area at TransNamib's head office.

Note # 2: We host a number of **7-day** train tours in Namibia as well. The same train is used, but the South of Namibia and the Etosha pans are not included in the itinerary. The complete **Information Document** on this tour is available from us.

Malaria: Namibia, and the area we visit, is not malaria infected.

We urge passengers to drink lots of water regularly. Even during winter times. A face moisturiser for ladies is highly recommended.

Currency: In Namibia the Namibian Dollar (N\$) is used. It is linked directly to the South African Rand. I.e.: 1 Rand = 1 Namibian Dollar. You can use South African notes in Namibia (not coins). You may use your credit card as well.

Purchases on the train: All purchases made on the train (I.e.: Drinks at the bar, mineral water, memorabilia, certain excursions, etc.) can be paid at the end of the tour by credit card.

Last note: With the huge increase in fuel costs (petrol & diesel) in recent times and the **major** increases in accommodation prices in Namibia over the past five years, this is by far **the most affordable way** of travelling through & lodging in Namibia.

ITINERARY

DAY 1 WELCOME and DEPARTURE

Start arriving at Windhoek historical Railway station from 12:00 on this day. Your tour guide will welcome you while you enjoy a cup of coffee or cold drink. The train will depart at 16:00 for Keetmanshoop and during your settling-in time browses through your programme and get your first taste of the trip ahead.

Enjoy your first dinner on board after a visit to the lounge car.

DAY 2 FISH RIVER CANYON, GIANTS' PLAYGROUND AND QUIVER TREE FOREST

We arrive Keetmanshoop early morning.

We visit the Quiver Tree Forest, where around 300 specimens of this prehistoric tree, *Aloe dichotoma*, can be found. They grow between 3 and 5 meters tall and their forked branches reach skywards, affording beautiful photo opportunities.

Enjoy the Giant's Playground walk-through, as well as the leopards on the farm.

After a quick stopover at the famous Canon Roadhouse, which is interestingly decorated with old car parts found in the region, we visit the Fish River Canyon.

Eroded over millennia, the Fish River Canyon is the second largest natural gorge in the world. Set in a harsh, stony plain, dotted with drought resistant succulents such as the distinctive Quiver Tree or

'Kokerboom', the canyon is a spectacular natural phenomenon. It took hundreds of millions of years to evolve into its current shape.

Its full length is 160km, the width up to 27 km and the depth 550 m., we push further to Keetmanshoop for lunch (guests' own account).

You'll meet up with the train again at Seeheim after a brief visit to the local Hotel.

The train journey continues to Aus at night.

Canon Roadhouse

Historical petrol pump

DAY 3 KOLMANSKOPPE, LUDERITZ and DIAZ CROSS

We'll travel by bus from Aus to Luderitz (the train track is currently under construction). En route we may see the wild horses of the desert.

A sight seeing tour in ghost town Kolmanskoppe, with lots of opportunity to take pictures, is an early highlight of the tour.

Sand filled bath in house

In Luderitz it is likely that the wind will blow you away, though it is a small and interesting harbour town with typical German architecture houses.

If the condition of the road allows it, we'll pay a visit to the Diaz Cross outside Luderitz.

The train travels overnight to Windhoek

DAY 4 WINDHOEK

The city tour of Windhoek starts with a visit to the TransNamib Transport Museum. The museum is situated in the Windhoek Railway Station and was built from 1912 to 1913. In front of the building is the narrow-gauge locomotive (vintage 1900), that used to operate between Swakopmund and Windhoek.

The museum at the Alte Feste Castle offers a range of displays, including the Social History Gallery and the Independence Display. Both give an insight into Namibia's complex history.

At the top of Robert Mugabe Avenue is the Christuskirche or Evangelical Lutheran Church. This is one of the city's most striking landmarks and was built from local sandstone and completed in 1910. Romanesque, neo-Gothic and Art Nouveau styles influenced its design and Kaiser Wilhelm II donated its stained glass windows.

Our last visit is the Namibia Craft Centre in the old Breweries Building. (Time permitting)

Herero Woman

Tonight we dine at the 'infamous' Joe's Beerhouse restaurant in Windhoek. A visit to this venue whilst in the capital is a MUST DO!

Late evening the train departs for Karibib.

DAY 5 OMARURU

For the next two days we only travel by bus. We leave Karibib for Omaruru.

Called the 'Artist' of Namibia. **Omaruru** is a town and constituency in the Erongo Region of Namibia. Its official population is 6,792. The town is situated close to the Erongo Mountains, on the banks of the usually dry Omaruru River.

The town grew around a mission built in 1872 by Gottlieb Viehe, now a museum, and was attacked in 1904 during the Herero and Namaqua Genocide. Captain Franke's Tower was built in this period to defend the settlement.

The town is known for its annual festival, its winery and for the dinosaur footprints at nearby Otjihaenamparero. We'll visit the biggest wine cellar in Namibia **Kristal Kellerei** – one of only three in the country! The white wine produced in this vineyard is unique and 'the tales behind the story' are interesting.

Station board

Root carving

An unique feature in this town is the **Tikoloshe root-carving factory** on the outskirts of the town. Hardly any visitor leaves this place without a souvenir bought at this interesting venue.

After the visit to Omaruru we travel further Northwards to Kalkveld before we engage a gravel road to the Vingerklip near Khorixas.

Vingerklip

The train remains stationery in Karibib whilst we overnight at a Lodge near Outjo.

DAY 6 ETOSHA NATIONAL PARK

The tour departs early morning to the Etosha National Park. The Park is one of the major sanctuaries for wildlife in Africa and was proclaimed a game reserve by German Governor Von Lindequist in 1907.

The heart of the park is the Etosha Pans (Etosha means 'place of dry water'). It is an extensive, flat depression of about 5 000 km².

The train is still stationery in Karibib whilst we overnight again in the same Lodge.

DAY 7 SWAKOPMUND / WALVIS BAY: MOON LANDSCAPE, WELWITSCHIA DRIVE, WALVIS BAY AND DUNE 7

We depart from the Lodge and join the train again in Karibib mid morning. After a brief train trip we'll do a afternoon's excursion into the Namib Desert and a stop at a lookout point over the valley known as the Moon Landscape. Soft overlaying levels of earth, deposited some 450 million years ago and eroded over millennia, created the eerie landscape.

The Welwitschia Nature Drive takes us from vast plains where herds of Oryx, Springbok and Zebra roam the supernatural landscape of these badlands.

Dune 7, located on the outskirts of Walvis Bay, is the highest sand dune in the area. It is an unforgettable experience for those who feel inclined to challenge the height of this outstanding landmark to admire the view from the top.

We then turn around to Walvis Bay. It is a pretty South African style town with 25 000 inhabitants. Strategically located halfway down the coast of Namibia and with direct access to principal shipping routes it is a natural gateway for international trade.

We visit the Walvis Bay Lagoon, a great attraction in the Walvis Bay area. The tranquil stretch of water, its natural beauty accentuated by thousands of flamingos gathering at the rich feeding grounds, is over 3 000 years old. Because of its value as a wetlands area, it was declared a RAMSAR site (a conservation pertaining to wetlands was held in Ramsar, Iran, in 1971).

The train remains stationary in Swakopmund overnight.

Dune 7

DAY 8 SWAKOPMUND

The day is spent at leisure. Shopping, quads, dolphin & seal cruise, flight to Sossusvlei, etc.

SPECIALISED ACTIVITIES - OPTIONAL

SEAL AND DOLPHIN CRUISE (**Highly** recommended)

The cold Atlantic waters off the Namibia coast are home to a wealth of marine life, including two dolphin species and a large colony of Cape Fur seal resident at Pelican Point. The 1.3 m-long Heavisides' dolphins are seen less often. The Walvis Bay-based skippers are highly successful in tracking down the dolphins and giving their guests close-up views of the Cape Fur seals.

On this trip see how wild birds are fed by hand - even some very large Pelicans. Experience the thrill of dolphins leaping from the water alongside the boat, seals fed by hand, fresh oysters and cold sparkling wine on the calm water of the Walvis Bay Lagoon. This morning-to-midday activity (+5 hours) is an experience not to be missed. It is **HIGHLY RECOMMENDED**. **Bookings are done only once on the train. +-R650 pp** (Including lunch on the island)
(Morning: weather dependent)

Welcome on board

DESERT EXPERIENCE

A half-day excursion into the remote parts of the Namib Desert with 'Travel Time' will give you the opportunity to discover that there is more than just sand in the desert. The hidden live under the sand and the variety of plants will amaze you. **Bookings are done only once on the train. +-R550 pp** (half day excursion) www.dtnamibi.com

FLIGHTS

See the attached document. <http://www.scenic-air.com/>

QUAD BIKES

Quad-biking is undeniably a fun and exhilarating activity. The combination of flying sand, fresh coastal air and freedom of the Namib Desert provides a top desert experience. To explore the dunes, guests are equipped with fully automatic quad bikes and no prior experience is needed as this is a fully guided tour. **Bookings are done only once on the train. +-R250 pp**

(Early afternoon: duration: $\pm 1\frac{1}{2}$ hours)

At Swakopmund

ENJOY SWAKOPMUND

For those passengers who would like to enjoy the holiday town of Swakopmund, this is the day to do it. Visit some of the many coffee shops with delicious apple tarts and other savories or go the **marble** exhibition. Spend some time at the Light house, historical jetty or Tuck Boat Restaurant.

An optional flight to Sossusvlei can be undertaken in the afternoon. Duration = 2 hrs & 15 minutes. Bookings can be made on the train.

Hotel at Swakopmund

Old jetty at Swakopmund

The train remains stationary in Swakopmund overnight.

DAY 9 SPITZKOPPE AND NORTH COAST, HENTIES BAY to USAKOS

We depart by bus to the small, thriving town of Henties Bay (the town was named after Major Hentie van der Merwe) before continuing for Spitzkoppe.

Spitzkoppe is known as the 'Matterhorn of Namibia'. It rises to an altitude of about 1 800 m. However, it is by no means Namibia's highest mountain. Due to its striking features and outlines, it is the most famous mountain in the country.

We make our way back to the train in Usakos in the late afternoon where we'll meet the train.

Rocks at Spitzkoppe

The train journey continues overnight to Windhoek.

DAY 10 TRANSFER DAY

A breakfast will be served on board the train.

If guests are transferring to a hotel, this will be arranged for them in the morning. If guests are flying from Windhoek International Airport, their flights may only be from 12:00 onwards.

Transfers to the airport is included in the tour package.
